

Areas to investigate

KS2 progress

- Writing progress was in the top quintile (20%) for at least two years for all pupils, middle prior attainers and high prior attainers.
- Progress in writing was significantly above average and in the highest 10%.

KS2 attainment

- In 2018, writing attainment of the expected standard was at or above national for prior attainment groups: low, middle.
- In 2018, mathematics attainment of the expected standard was at or above national for the middle prior attainment group.
- In 2018, 45% of pupils achieved the expected standard in reading, writing and mathematics, 19 percentage points below the national proportion. This was a statistically significant difference.

KS1 attainment

- There were no meaningful trends or differences for this measure.

Phonics in 2018

- There were no meaningful trends or differences for this measure.

Behaviour

- There were no permanent exclusions in the last three years. The national average in each of these years was zero.
- In 2016/17, the rate of total fixed term exclusions (0.60%) was below the national average for schools with a similar level of deprivation (0.99%). The rate of repeat exclusions was above national for three years (2014/15 to 2016/17). In 2016/17, the rate of repeat exclusions (0.30%) was below the national average for schools with a similar level of deprivation (0.45%).

Girls

- The school was in the top 20% of all schools for the proportion of girls (54.7%).
- The percentage of girls in year 2 (72%) was higher than all other year groups.
- The percentage of girls in year 6 (43%) was lower than all other year groups.

Disadvantaged

- The school was in the top 20% of all schools for the proportion of FSM (53.8%).
- The percentage of FSM in year 5 (65%) and year 6 (65%) was higher than all other year groups.
- The percentage of FSM in year 2 (46%) was lower than all other year groups.
- There were two children looked after in the school.

School context 2018

English as an Additional Language

- There was nothing significant to report for this group.

Special Educational Needs

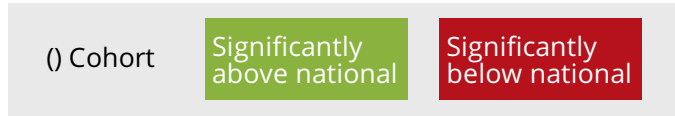

- There was nothing significant to report for this group.

Prior Attainment

- Pupil prior attainment was well below the national comparator for the following: Reading (Year 6), Writing (Year 6), Mathematics (Year 6)

Relative progress for the past three years

Notes: Statistical significance for disadvantaged pupils is against the national for other pupils. Change in methodology or calculations is indicated by a dotted line. Quintiles for 2018 are based on adjusted progress scores Previous years are based on unadjusted. Significance is only flagged for cohorts greater than 10. For cohorts of 10 or less information is greyed out. For further information on methodology see www.gov.uk/government/collections/using-ofsted-inspection-dashboard

Reading scaled scores 2018

This chart shows the distribution of total marks achieved by pupils in the school compared to the national.

Cohort = 40 One pupil relates to 2.5 percentage points.

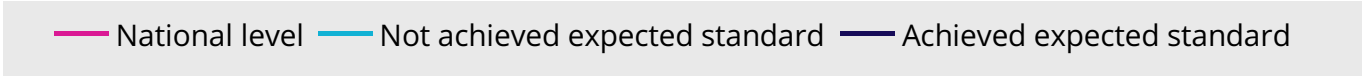

In 2018, 50% of pupils achieved the expected standard, 25 percentage points below the national. This was a statistically significant difference.

Notes: The plotted national line is the national reading percentage multiplied by the school reading attainment cohort at each average scaled score interval. For further information on methodology see www.gov.uk/government/collections/using-ofsteds-inspection-dashboard

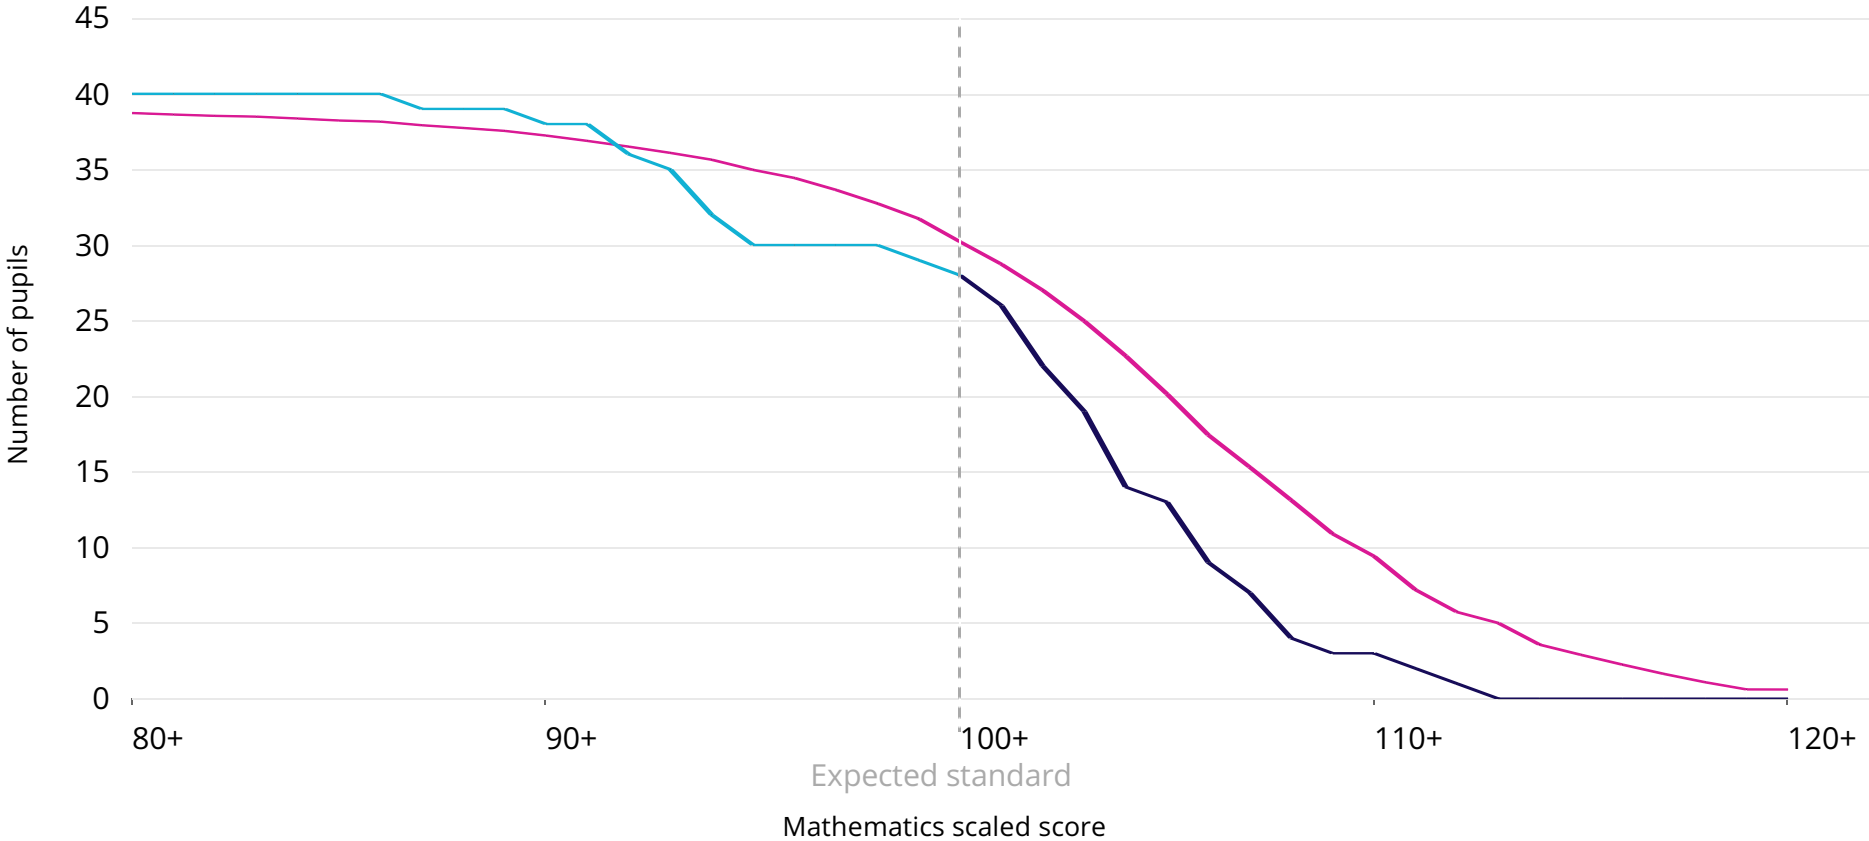

Mathematics scaled scores 2018

This chart shows the distribution of total marks achieved by pupils in the school compared to the national.

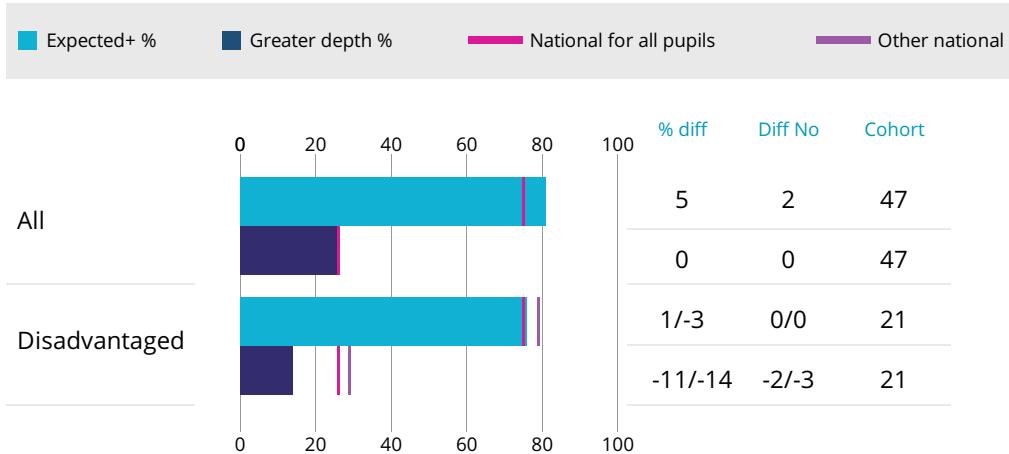

Cohort = 40 One pupil relates to 2.5 percentage points.

In 2018, 70% of pupils achieved the expected standard, 6 percentage points below the national. This difference was not statistically significant.

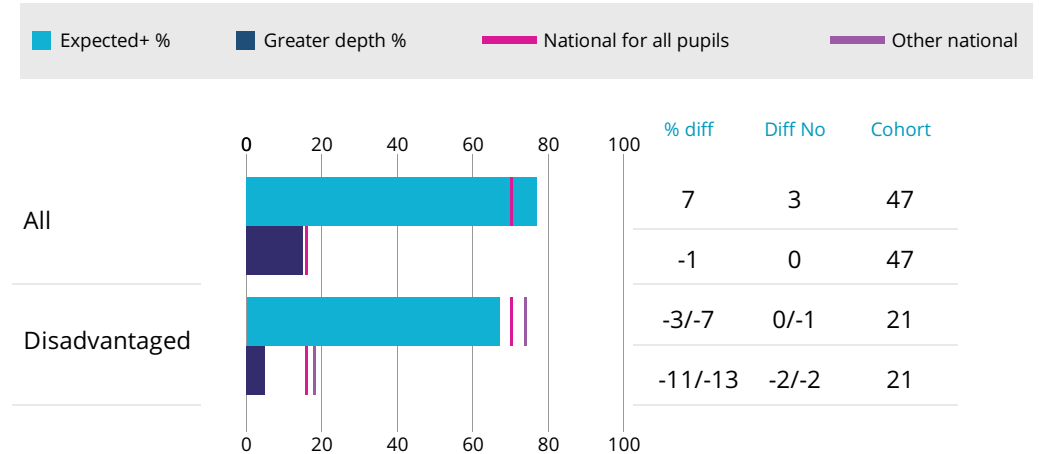

Notes: The plotted national line is the national mathematics percentage multiplied by the school mathematics attainment cohort at each average scaled score interval. For further information on methodology see www.gov.uk/government/collections/using-ofsted-inspection-dashboard

Science

Note: 'Diff no' value shows the number of pupils that the difference between school and national represents, and is always rounded down to a whole number. Disadvantaged nationals are shown as all/other (other relates to pupils who are not defined as disadvantaged). For science the only outcome of the teacher assessment was whether pupils met the expected standard. Year 1 phonics marks 2018

This chart shows the distribution of total marks achieved by pupils in the school compared to the national.

— National level
 — Not achieved expected standard
 — Achieved expected standard

Cohort = 37 One pupil relates to 2.7 percentage points.

In 2018, 89% of pupils achieved the expected standard, 7 percentage points above the national proportion. This difference was not statistically significant.

Notes: The plotted national line is the national phonics attainment percentage at each phonics mark multiplied by the whole school phonics attainment cohort. The expected standard for phonics is 32+.
