

I.C.T: Friday 19<sup>th</sup> June 2020

**WALT: research and collect data about trees.**

As part of our 'Green Fingers' topic we would like you to find some facts about the trees.

**TASK 1:** Can you find the answers to complete these sentences.

Some trees lose their leaves these are called

---

Some trees keep their leaves and these are called

---

***Remember to use the internet carefully and always ask before you look for something.***

**TASK 2:** Complete the table with any facts you can find. There are 2 spaces in the table for you to choose 2 plants or trees to research for yourself.

Name of tree	Draw the leaf	Does it lose its leaves?	Another fact about the tree
Oak			
Beech			
Silver Birch			
Sycamore			
Fir			
Pine
