

Week 2 - Tuesday 16<sup>th</sup> June 2020

WALT: explore the features of a farm and use geographical vocabulary

Look at this aerial photograph of a farm. What can you see ?

What do you think the different buildings might be used for ?

**Task 1** - Label the pictures on the next page using the correct vocabulary.

**Task 2** - Match the animal to its correct home.

**Task 3** - Use the farmyard scene to create and label your own farm. If you prefer you can design and label your own farm scene.
