

## Oasis Creative Week: Music- Monday 22<sup>nd</sup> June

Gather different sized pots and pans from around your house and set them up with utensils to play with.

You could:

- Ask an adult to play a rhythm and see if you can play the rhythm back.
- Try creating your own rhythms.
- Sing a nursery rhyme or song you love and try playing along to the tune whilst singing.

You could also try making your own musical instruments:

Please send a photograph or video of your musical adventures to Miss Glossop on Class Dojo!
