

SQUARES Maths Week 3 – Monday 18th January

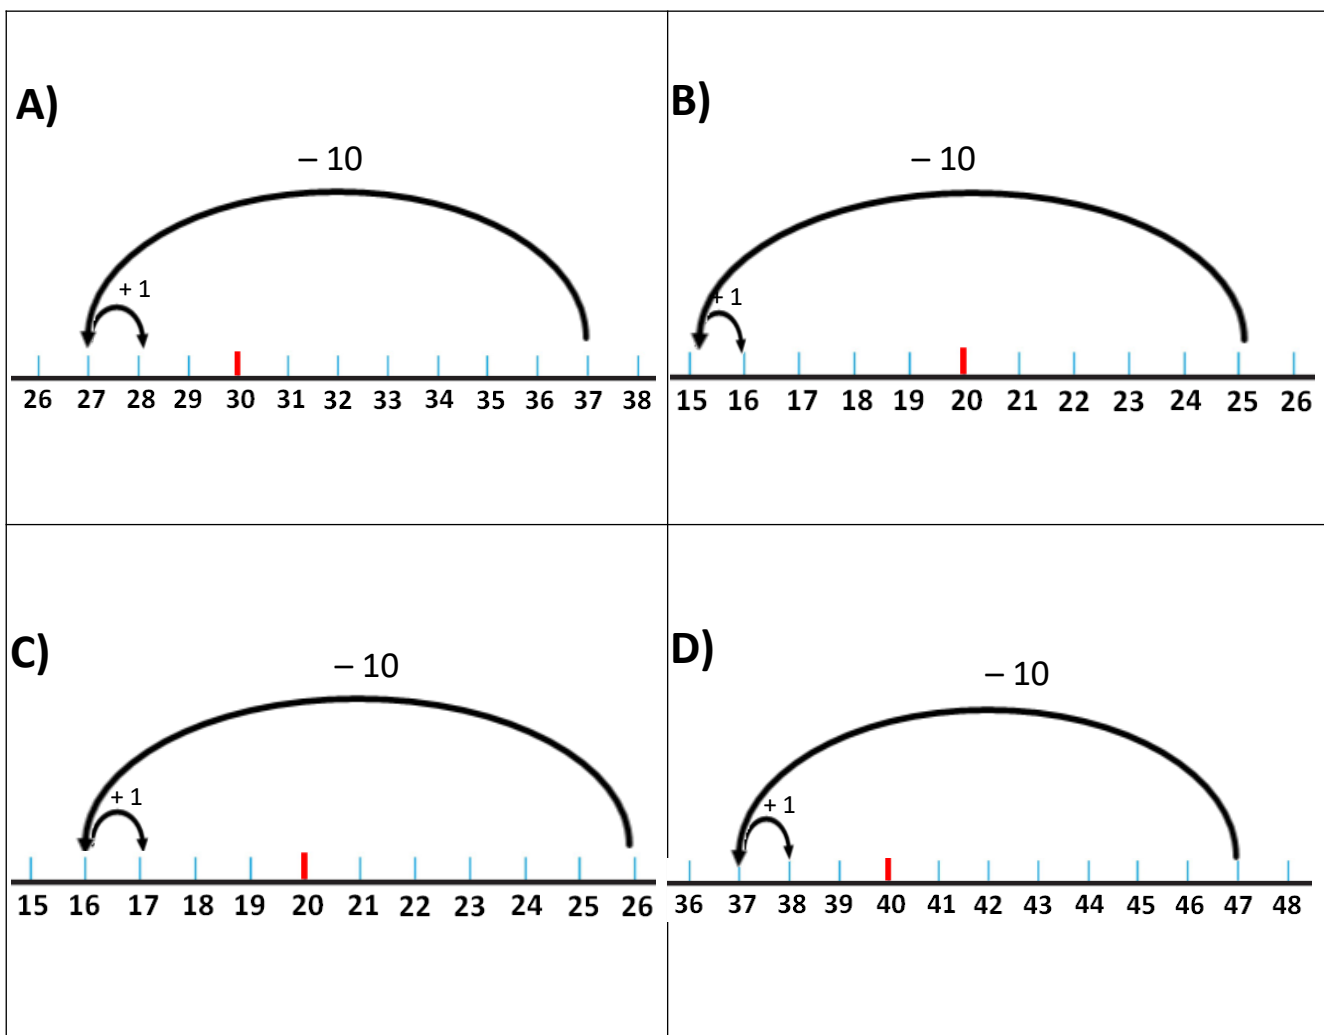

Using your skills in subtraction you need to work out the answers to these equations. Use double facts that you know. Remember to use the number line to support you.

$$25 - 9 = \square$$

$$26 - 9 = \square$$

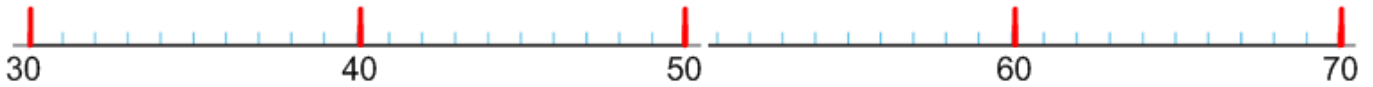

$$37 - 9 = \square$$

$$47 - 9 = \square$$

CHALLENGE: Use your knowledge of subtraction and answer the equations. Do you notice anything?

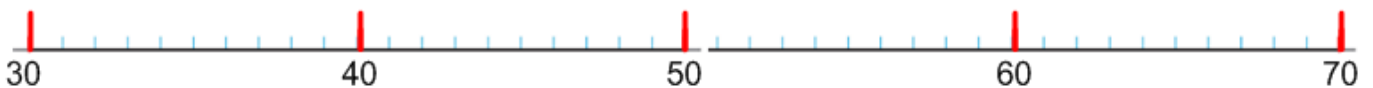

$$63 - 9 = \square$$

$$84 - 19 = \square$$

$$64 - 29 = \square$$

$$36 - 9 = \square$$
