

Art and Craft Activity

Week 3: Wednesday 20th January 2021

This week we are thinking about the national flower of Scotland ... the thistle.

Task 1: Look carefully at the photographs of thistles.

Discuss : What shapes and colours can you see ?

Task 2 Draw a thistle

Draw a thistle on a piece of paper. Think about its size and shape. You will need to use lines in your sketch.

If you have crayons at home, you could use greens, blues and purples to add colours to your work.

You can copy one of the photographs, the art work above or watch this video that shows you one way to draw a thistle.
