

SQUARES Maths Week 5 – Monday 1st February

Today you are going to work on telling the time using five minute intervals.
Have a go at counting in steps of five, think about why you need to be able to count in steps of five to 60.

5 10 15 20 25 30 35 40 45 50 55 60

Task 1: Read the times on each clock and match to the correct clock.

Ten past four

Five past five

Twenty-five past one

Twenty past two

Task 2: Choose which child has read the correct time on the clock.

(You can circle it or write down the correct time)

It's quarter past four.

It's twenty past three.

It's twenty-five past nine.

It's five past nine.

It's five past seven.

It's one past seven.

It's twenty past two.

It's ten past four.
