

There are different types of questions to answer.

Follow each instruction carefully.

Use the sheet or write your answers on a piece of paper.

CRAZY GOLF

Two children – Aisha and Matt – are playing crazy golf. See how they get on.

Pirate Pete's Crazy Golf

Aisha hit her ball. It bounced off a shell and went into the Giant Squid's mouth. She could hear it rolling around inside before it came out again.

When Matt hit his ball, it went up and down over the Stormy Waves. He smiled when it trickled into the hole.

At the second hole, Aisha's ball landed on the Pirate Ship, rolled along the pirates' plank and went straight in!

Matt's ball bounced off Sharky and got lost in the Undersea Caves. It was never seen again.

The diagram shows a green background with various obstacles: a shell, a giant squid, a pirate ship, a crab, a shark, and a cave. Dotted lines indicate the path of the golf balls. A 'START' sign is on the left, and a '2' sign is on the right. A '1' sign is at the top left.

1. At the first hole, Aisha's ball bounced off something. What was it? Circle one.

squid

shell

waves

2. What happened to Aisha's ball after that?

3. Where did Matt's ball go after bouncing over the Stormy Waves?

4. Where is the pirates' plank?

5. At the second hole, which creature got in the way of Matt's ball? Circle one.

crab

squid

shark

6. How do you know that Matt didn't get his ball back when it went into the Undersea Caves?

Remember to upload a photograph of your work.
