

Week 8 Thursday 4<sup>th</sup> March 2021

Religious Education

This week we are thinking about what it means to belong to a religious group - Christianity.

Last lesson we looked at what it meant to belong to a club or a family. Each group we are part of expects something different from it's members. There are many different branches of Christianity. Each group will have different ways to show that they belong.

**Listen to the power point to find out more.**

A sense of belonging, either religious or otherwise, is really important because we don't want to feel like the odd one out. Adults and children alike find it important to spend time with friends and like-minded people.

We all share one common and important group - we all belong to the Oasis Parkwood group.

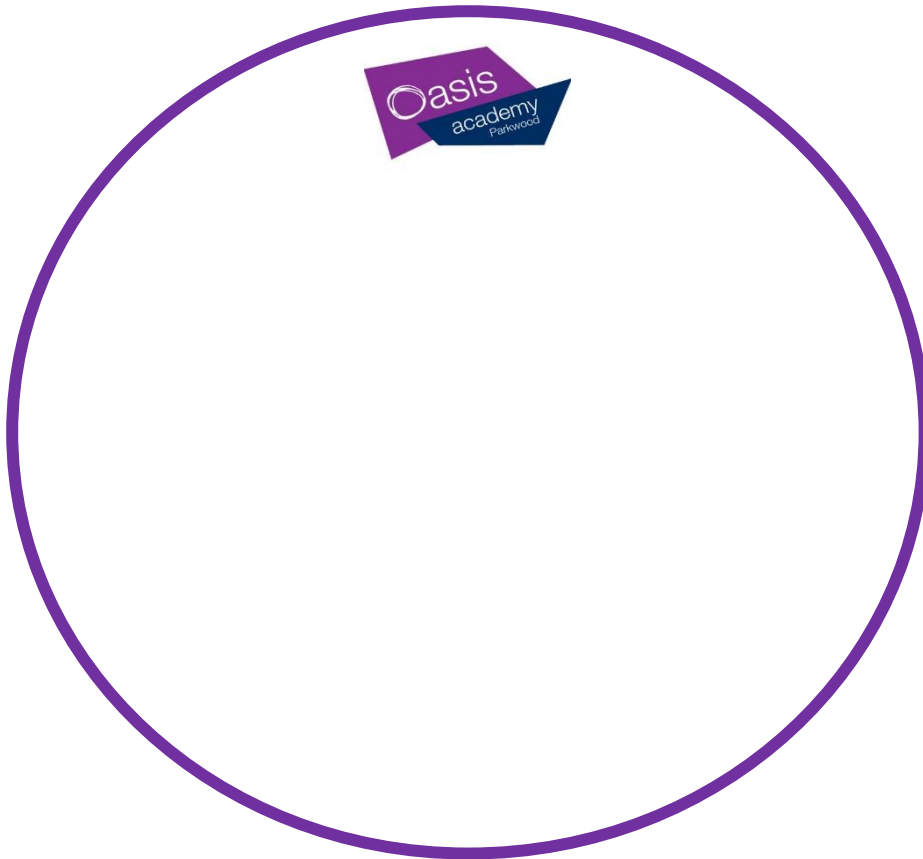

**Task 1** Design a school badge - we are all individuals and will have different idea but we are lucky enough to belong to one big group. Explain what each part of you badge represents.

Use the sheet on page 2 or write and draw on a piece of paper.

**Task 2** Design a secret sign, or hand wave or handshake for your family. Take a photograph of your sign or record a video clip.

**Remember to photograph your work and upload a copy.**

# Task 1

Handwriting practice lines consisting of solid top and bottom lines with a dashed middle line, repeated for six rows.
