

Week 4 Friday 29<sup>th</sup> January 2021

## Design and Technology

# DRAWBRIDGES

Look at the drawbridge plan that you drew last week.

This week you are going to make your own moving drawbridge. Check your list and make sure you have all the materials and equipment that you will need before you start.

### REMEMBER

Work safely - A grown up will need to be with you when you are cutting and help you if needed.

Next week we will decorate and evaluate your work.

Remember to send us a photograph of your work
