

# SQUARES Maths Week 4 – Monday 25<sup>th</sup> January

This unit is all about time.

Click this link to see how many hours there are in a day and the different things you could do in a day.

<https://www.mathsisfun.com/measure/days.html>

Look at the activities in the pictures and write what time of the day you would do it using the following sentence as an example.

*I would eat my breakfast in the morning.*
