

## Reading – Monday 1<sup>st</sup> February

Look at the front cover for our new book, 'The Pack of Pompeii'.

**Task 1:** Make a prediction for our new story.

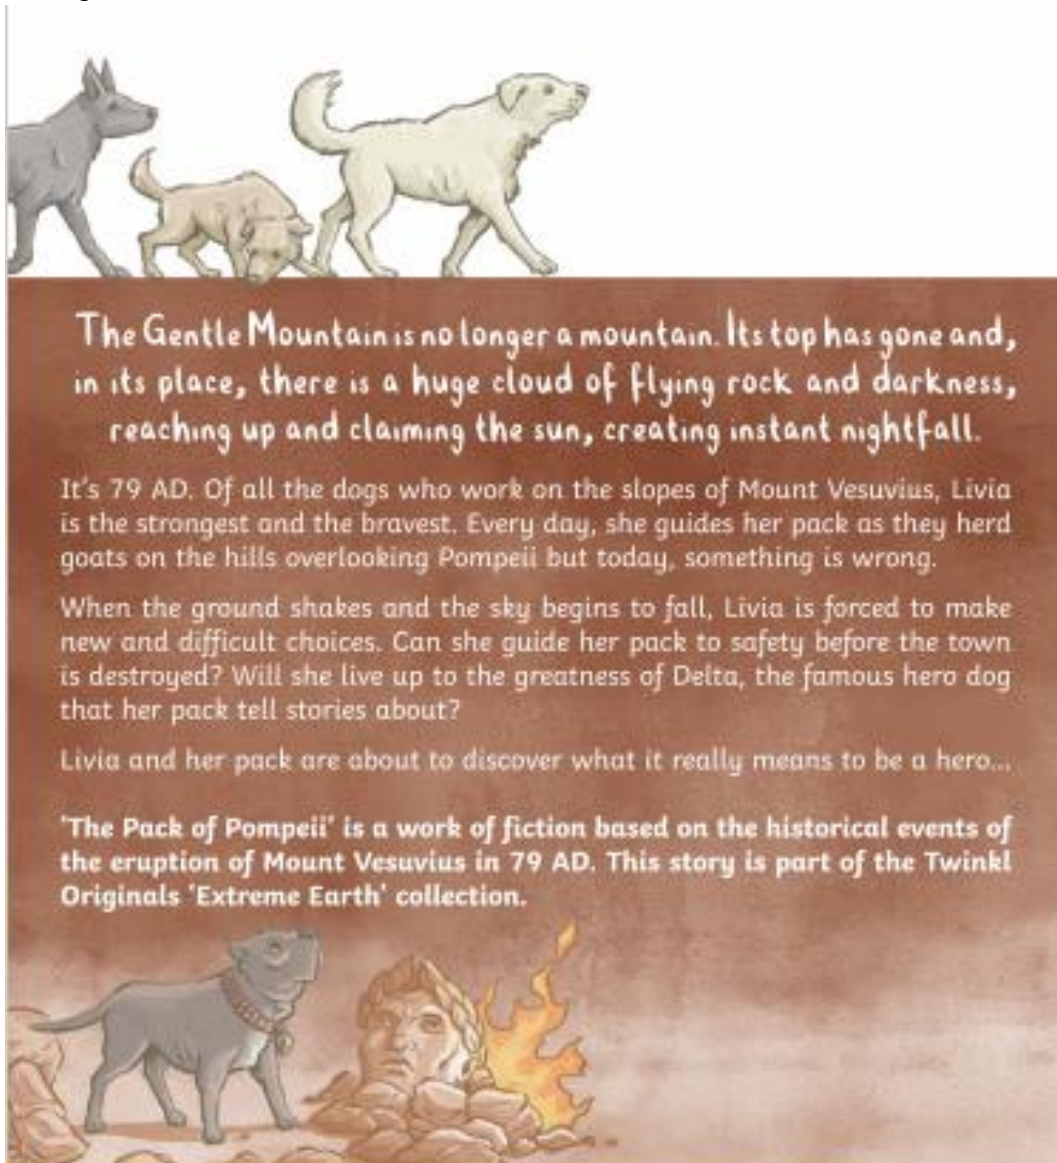

Use your previous knowledge from last term's topics to help you with your prediction.

Think about:

- When this book might be set?
- Where is this book set?
- Is this book fiction or non-fiction?
- Who are the characters?
- What might happen to the characters?

**Task 2:** Read the blurb for the new book below.

(The blurb is a short description of the book to make people want to read the whole story.)

If there are any words you need clarifying, use a dictionary or this online dictionary to look up their meanings:

**Task 3:** Make a list of proper nouns that are mentioned in the blurb.

Remember! A proper noun is the specific name of person, place or thing – with a capital letter e.g. Pompeii.
