

## Year 4 Maths – Tuesday 26<sup>th</sup> January

### Recognising Decimal Tenths (Part 1)

Today, we will represent tenths using fractions and decimals and accurately read decimal tenths.

First, watch the video and then complete the tasks and activities (these are available on the next pages of this document too).

Then, complete the 'Final Quiz'!

Follow this link:

<https://classroom.thenational.academy/lessons/recognising-decimal-tenths-part-1-ctgkcd>

Complete all the activities on paper and take a photo and upload to Class Dojo for your teacher to see.

### Independent Task:

Represent each fraction as a decimal and draw what it is worth in Dienes.

1)  $\frac{2}{10}$

2)  $\frac{6}{10}$

3)  $\frac{3}{10}$

4)  $\frac{10}{10}$

5)  $4\frac{1}{10}$

6)  $5\frac{3}{10}$

Example:

$$2\frac{5}{10}$$

2.5
