

Year 4 Maths – Thursday 7th January

Investigating multiplication patterns

Today, we are going to look at different multiplication grids.

First, have a go at the introductory quiz, followed by the quiz and the activity.

Then, have a go at the worksheet and the final quiz to test your learning from this lesson.

Follow this link:

<https://classroom.thenational.academy/lessons/investigating-multiplication-patterns-6rt68c>

Complete all the activities on paper and take a photo and upload to Class Do jo for your teacher to see. Please upload a photo of the completed quiz.
