

Physical Development: Monday 18th January 2021

Throwing and Catching.

Can you throw a ball/soft toy to a partner?

Can you catch it?

How many times can you throw and catch without dropping it?

If your child finds this tricky, you could play catch with a balloon instead; it is slower and helps them to develop their hand-eye co-ordination.

Remember to take pictures and send them to your teacher on Class Dojo!
