Days of the week

Please click the link for this week's Maths. Today is Lesson 2.

All of the Maths tasks are on the video.

<https://classroom.thenationalacademy/units/calendar-and-time-3ff3>

If you cannot access the video, follow this worksheet.

1. How many days are there in a week?
2. What are the days of the week?
3. Can you put the days of the week in order? (*Monday first*)

Friday
Monday
Thursday
Saturday
Tuesday
Sunday
Wednesday

4. Which days are usually school days? Which days are the weekend?
5. Can you draw a picture of something you have done this week?
Some ideas are the park, baking, watching TV or playing a game.

Please send your Teacher a picture of your drawing on Class Dojo.
