

Physical Development: Monday 18th January 2021

Throwing and Catching.

Can you throw a ball to a partner?

Can you catch a ball?

How many times can you throw and catch the ball without dropping it?

Challenge: Try bouncing your ball and counting how many times you can bounce it.

Can you use scissors?

Can your child snip bits off a strip of paper?

Please use child scissors or small scissors.

Remember to take pictures and send them to your teacher on Class Dojo!
