

# Maths

Tuesday 19<sup>th</sup> January 2021

Recognising and counting numbers within 8

For this lesson you will need 10 small objects to count and this grid. Either draw or print this.

|  |  |  |  |  |
|--|--|--|--|--|
|  |  |  |  |  |
|  |  |  |  |  |

Please click the link for this week's Maths. Today is Lesson 2.  
All of the Maths tasks are on the video.

<https://classroom.thenationalacademy/units/numbers-within-10-767b>

If you cannot access the video, follow this worksheet.

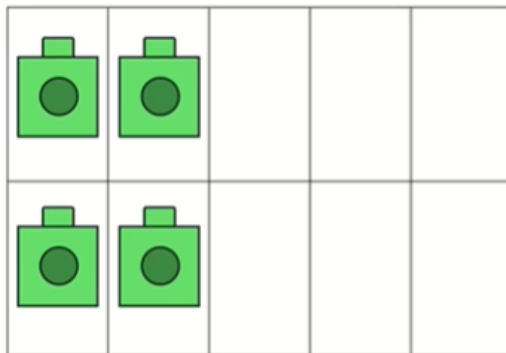

1. Can you count forwards, 1-7?
2. Can you count backwards, 7-1?
3. Looking at the picture below:
  - Can you find something that there are 6 of? (*flowers or egg cups*)

- How many sausages are there?

4. Using the ten frame (grid at the start of this sheet) can you show these numbers:

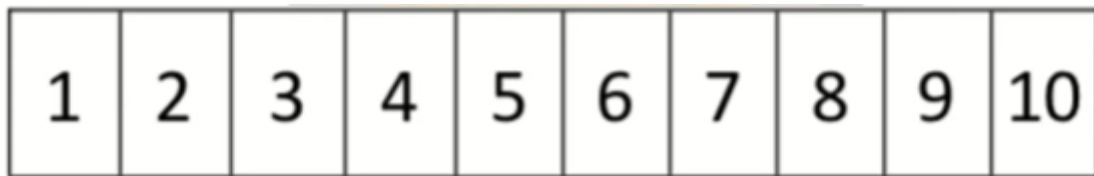

Here is an example:

- 
- 6
- 8

5. Looking at this number line:

- Can you find the number eight?
- What number is one more or just after eight?
- What number is one less or just before eight?

Main task:

Can you work out which number matches which pictures?

(Please do not print or draw, just talk and count.)

## II Main Task

|                       |                        |
|-----------------------|------------------------|
| 1<br>●<br>one         | 2<br>●●<br>two         |
| 3<br>●●●<br>three     | 4<br>●●●●<br>four      |
| 5<br>●●●●●<br>five    | 6<br>●●●●●●<br>six     |
| 7<br>●●●●●●●<br>seven | 8<br>●●●●●●●●<br>eight |

Please send your Teacher a picture of you watching the video or answering the questions on Class Dojo.
