Keep a look out on our website and Facebook for Miss Mason's recommendation!

Ear-rings must not be worn on days when a child has a PE lesson. Only if a child's ears have recently been pierced may they wear studs, provided that they are covered with tape by parents/carers before they come to school. Once the lesson is over they must remove the tape. A recent incident where a child's earring fell out and was then trodden on by another child (who was fortunately not injured) has led us to insist on the removal of earrings.

Watches must also be removed for PE lesson. Children with long hair should tie it up. This is essential for PE lessons.
