Space Race Summer Reading Challenge

Well done to all of those children who have completed the 'Summer Reading Challenge.' We can see how well your reading has continued over the break!

Imagination Library

We are thrilled to support the IMAGINATION LIBRARY scheme at Parkwood. All children from birth to 5 years receive a free book through the post every month. This is a vital start to their reading journey and develops a love of books. Plus it is a wonderful way for your child to build their own book collection at home!

Please ask for further details if your child is not yet registered or visit
